TODAY WE COMMEND ALL ASPECTS OF MOTHERING.

We remember you...

- To those who gave birth this year to their first child – we celebrate you.
- To those who lost a child this year – we mourn you.
- To those who are foster moms, mentor moms, and spiritual moms – we need you.
- To those who lost their mothers this year – we grieve with you.
- To those who are single and long to be married and mothering children of your own – we pray for your future.
- To those step-parent – we walk with you on these complex paths
- To those envisioned grandchildren, yet the dream is yet to be – we grieve with you.
- To those with a house full of children – we take note of your self-sacrifice and support you
- To those barren, suffering with infertility – we pray for fruitfulness.
- To those who placed children up for adoption – we commend your selflessness.
- To those who will have emptier nests in the upcoming year – we grieve and rejoice with you
- And to those who are pregnant with new life, both expectant and surprising – we anticipate with you.

This Mother's Day, we celebrate you and walk with you. Mothering is not for the faint of heart. We have nurturing warriors within our midst.
